#### 4.4 Ingestion

Rinse the mouth. Drink glasses of water. If adverse health effects develop seek medical attention.

---

#### 5. Fire fighting measures

- **Suitable extinguishing media**  
All common extinguishing agents are suitable.
- **Special protection equipment for firefighters**  
Wear self-contained breathing apparatus.  
Wear protective equipment.
- **Hazardous combustion products**  
Carbon monoxide, carbon oxides.

---

#### 6. Accidental release measures

Pick up the rolls, pack them again and send to waste disposal the damaged material, according to the laws in force.

---

#### 7. Handling and storage

- No particular precaution needed during manipulation of the product.
- This article has to be stored, preferably, at a room temperature ranging between 15 and 25°C

---

#### 8. Exposure controls / personal protection

- **No special particular measures needed to face exposure to this article.**
- **General protection and hygiene measures**  
Do not eat or smoke while working.

---

#### 9. Physical and chemical properties

Reference has to be made to the relevant technical sheet available on request.

---

#### 10. Stability and reactivity

##### 10.1 Conditions to avoid

No decomposition if used according to specifications.

##### 10.2 Hazardous decomposition products

In case of fire, smoke as well as carbon dioxide, carbon oxide may arise.

---

#### 11. Toxicological information

##### General toxicological information

This article does not contain any toxic substances; to the best of our knowledge no harmful effects are to be expected if the product is handled and used properly.

---

#### 12. Ecological information

##### General ecological information

Do not empty into drains, soil or water.

**13. Disposal considerations**

In consultation with local authority, must be subjected to special treatment.

---

**14. Transport information**

No hazardous according to ADR, ADNR, IMDG, IATA-DGR, RID.

---

**15. Regulatory information**

This article is not subject to classification according to the calculation methods of the “General Classification Guideline for Preparations of the EC” as issued in the last version.

---

**16. Other information**

Informations reported on this “safety sheet” correspond to our current level of knowledge and relates to the product in the state in which it is delivered.

This article does not legally require an SDS (ref. ECHA Guidance on the compilation of Safety data Sheets – Version 1.1 December 2011)
